Process for Applicants Graduating from Schools Without Chamberlain Recognized Accreditation

Chamberlain recognized accreditation includes state-approved high schools or institutions accredited by an organization recognized by

the Council for Higher Education Accreditation (CHEA) or the U.S. Department of Education.

Home-schooled applicants and applicants from schools without one of the above mentioned recognitions will be evaluated to determine if the applicant's education meets Chamberlain's proof of graduation requirement. The criteria include, but are not limited to:

- School curriculum must parallel the curriculum required of state-approved high schools or institutions accredited by an organization recognized by the Council for Higher Education Accreditation (CHEA) or the U.S. Department of Education
- For pre-licensure applicants, HESI Admission Assessment (A2) score will be considered
- For applicants to the MPAS degree program, GRE scores will be considered

Taking into account the above criteria, the applicant will be evaluated and notified whether or not the student may proceed with the admission process.

If the curriculum is not determined to be equivalent to that of a state-approved high school or institution accredited by an organization recognized by the Council for Higher Education Accreditation (CHEA) or the U.S. Department of Education, a portfolio containing a profile of the school attended and additional information, such as samples of work demonstrating learning outcomes, may be required.

Non-Degree-Seeking Students

In unique circumstances, an individual may desire enrollment in a particular course. Permission to enroll as a non-degree-seeking student is granted on an individual basis for all programs, except the MPAS degree program, and students enrolling in clinical nursing courses must seek approval prior to registration. A non-degree-seeking student is not considered accepted into any Chamberlain program or program option and is ineligible for career services, housing assistance, part-time employment assistance, U.S. Veterans Administration benefits, federal, state or provincial financial aid assistance. Non-degree seeking students are not eligible for Dean's List or Honor Roll recognition or Chamberlain scholarships.

Applicants are ineligible to enroll as non-degree seeking students in courses in a Chamberlain program from which they were dismissed for failure to meet standards of academic progress at the time of last enrollment. Non-degree-seeking applicants must meet criteria for prior education, proof of English language proficiency and licensure if required by the program, unless otherwise specified in a scholarship, grant or articulation program. Students should note that grades earned in courses completed in non-degree seeking status will impact the student's cumulative grade point average (CGPA). Students are expected to comply with academic policies, including attendance, coursework completion, interruption of studies and withdrawal processes. A maximum of 16 attempted semester credit hours may be completed as a non-degree-seeking student.
