

SEX & GENDER-BASED MISCONDUCT RESPONSE & PREVENTION: EMERGENCY REMOVAL

Chamberlain can remove a Respondent entirely or partially from an education Program or Activities on an emergency basis when an individualized safety and risk analysis has determined that an immediate threat to the physical or safety of any student or other individual justifies removal. The risk analysis is performed by the Title IX Coordinator in conjunction with the Director, Enterprise Safety and Security.

In cases in which an emergency removal is imposed, the Respondent will be given notice of the action and the option to request to meet with the Title IX Coordinator prior to such action/removal being imposed or as soon thereafter as reasonably possible, to show cause why the action/removal should not be implemented or should be modified. This meeting is not a hearing on the merits of the allegation(s) but rather is an administrative process intended to determine solely whether the emergency removal is appropriate. When this meeting is not requested in a timely manner, objections to the emergency removal will be deemed waived.

The Title IX Coordinator has sole discretion under this policy to implement or stay an emergency removal and to determine the conditions and duration. Violation of an emergency removal under this policy will be grounds for discipline, which may include expulsion or termination.

Chamberlain will implement the least restrictive emergency actions possible in light of the circumstances and safety concerns. As determined by the Title IX Coordinator, these actions could include but are not limited to: temporarily re-assigning a Colleague, restricting a student's or Colleague's access to the campus, allowing a student to withdraw or take grades of incomplete without financial penalty and authorizing an administrative leave.
