

DAISY FOUNDATION

Chamberlain University is a proud partner of the DAISY Foundation, a non-profit organization dedicated to recognizing extraordinary nurses for their skill, kindness and compassion provided to their patients and families. Chamberlain University participates in both The DAISY Award for Extraordinary Students and the DAISY Faculty Award programs.

These recognition programs honor nursing students for demonstrating skills and compassionate patient care and faculty members who make a difference in the lives of many through their work. Together, we hope to encourage a lifetime of learning through continuing education and degree advancement at every stage of healthcare professionals' careers.
