

WELCOME TO CHAMBERLAIN UNIVERSITY!

We are delighted that you have chosen Chamberlain to support you on your journey toward becoming an extraordinary healthcare professional. You are joining a community with a long history of excellence in healthcare education dating back to our beginnings in 1889 in St. Louis. Today, with a College of Nursing and a College of Health Professions, a growing network of campuses and robust online offerings, Chamberlain University is dedicated to increasing access to quality healthcare education and producing graduates who will transform healthcare worldwide.

This certainly is an exciting time for you. Be assured that we will be with you every step of your academic journey at Chamberlain. From early assessments of strengths and areas for improvement to customized support plans, workshops and coaching teams, our personalized care is designed with you and your academic success in mind.

What distinguishes Chamberlain is this culture of care – called **Chamberlain Care[®]**. Throughout our campuses and online programs, you'll experience what it means to work in a culture of service excellence and care – a culture that prepares students to take extraordinary care of patients, families and communities.

This Master of Physician Assistant Studies (MPAS) Student Handbook is filled with information and resources to support you throughout your education at Chamberlain University. If any additional questions come up, please do not hesitate to contact your student support advisor.

Welcome and best wishes for a successful start to your studies at Chamberlain University!

Warm regards,

Carla Sanderson, PhD, RN, FAAN
