

VISITORS AT A CAMPUS OR CENTER

All visitors must register at the front desk to obtain a green lanyard and visitor's pass that is to be worn at all times while on campus. Any child that is brought to the campus must be under constant supervision of the responsible party. Children may not be brought to class, lab, or clinical session, the library or any other study area on campus. Upon departure from campus, lanyards and passes must be returned to the front desk. Students may bring prospective students to on-site classes as guests; however, they must first receive approval to do so from the campus president/executive dean and the course faculty. Contact the Chamberlain front desk for more information.
